“But what about in cases of rape?” This question is often asked by those who advocate for abortion. We all know questions are best answered through stories, not talking points. **Jennifer Christie** has one of those stories. Her story reminds us that God brings healing from pain and that children are part of the journey to recovery, not another obstacle for mothers to overcome.

We are moving forward in prayer with our plans to present you with a “live” event. If the CDC and state guidelines on COVID-19 require us to change our plans we will adjust and move to a virtual, or live and virtual event. Our goal is to keep everyone safe and we will not put you at risk.

There is no cost to attend this event thanks to our Underwriters who gave in advance. An opportunity to make a financial gift to the ministry will be extended. This year we will provide you with a choice of a live or a virtual event. You will choose which option you prefer when you receive your invitation.

Please call or email to make a reservation.
