I am most interested in volunteering in this area (check one):

Prayer Team: Prayer is the foundation of Birchwood Apartments. Would you be willing to faithfully pray for our residents & staff on a regular basis? This team would mostly operate independently with prayer updates (via email) & an occasional onsite prayer meeting.

Mothers of Birchwood (MOBS): Would you be willing to model motherhood and family life to one of our residents? This role doesn't require perfection but rather a willingness to model simple everyday routines to our residents that contribute to a healthy family unit. This role would provide community and accountability as well. Time commitments vary depending on your own availability.

Cleaning/Maintenance Team: Are you handy around the house? Do you find joy in cleaning? Could you take on a quick furniture build or a paint refresh? This team would be a resource for quick projects at the Birchwood Apartments.

Learning Partners: Do you have a life skill that you would enjoy teaching to our residents? Have you kept your family fed on a limited budget? Or maybe you've learned how to find margin for self-care as you care for your children. These volunteers would provide teaching moments for our residents.

Community Extension Committee: Is there a resource that you'd be willing to share with our residents? Are you a business owner that could provide a job? Could your company make a donation to the apartments? Is networking one of your gifts? Have you lived in the area for a long time & are familiar with many of the resources available right here in Kankakee County?

This team would compile resources for Birchwood Apartments & its residents.

Birchwood Babysitter's Club: Join a list of willing volunteers for our Residents to call on when they are in need of a babysitter.
